

## YES, I CAN!

*Philippians 4:13* I can do all things through Christ who strengthens me.

Remember, once you decide to take action, fear will be in the bleachers ready to shout you down and distract you from reaching your goal. Keep your eyes on Jesus and keep in mind that what you are doing as you act on the word of God is backed by His power and authority.

Acquaint yourself with what God says about you by looking into the mirror of His word. See your reflection. It is in His word that we see what the new creation looks like. We are born of His Spirit and made righteous in His sight. When you know and believe this you will keep your head up high and with determined purpose, press your way through any obstacle in your path.

We must always keep in mind that the devil is a defeated foe. Jesus put His foot on the devil's head and broke his power over us. Nevertheless he will try his best to deceive us if he can. But his best is not good enough, for he is no match for a born again child of God who is walking in obedience to the Lord.

If ever we feel weak all we need to do is to speak the name of Jesus, for at His name our enemies have to bow their knees. Jesus has stripped them of their armour and authority over every redeemed child of God.

As you go about your day, make God's word your bold confession. Say, "I can do all things through Christ who strengthens me!" Add to that, "Greater is He who is in me than he who is in the world!" The truth of God's word will always prevail over the lies of the enemy. God has the final word on every matter when we place all we have and are in His hands.

What pleasure it gives to God when we answer His call. When we follow His leading and by faith enforce the victory He has given to us. Let us value and highly esteem God's word in our lives. With the Holy Spirit, the one who helps and strengthens us at all times, we are a winning team.

The battle is not yours but God's. He will deliver the enemy into your hands as you move forward in faith. He will give you discernment such as you have not known before. Discernment to recognise the plots and cunning craftiness of the enemy. He will be at a disadvantage, for you will see when he is poised to strike. You will take your position, your stand of faith. Ahead of time you will be alerted to Satan's plots and schemes and you will be prepared to stand your ground. Know there is nothing he can do to harm you, for you have favour with Me. You are secure and safely nestled in My arms of love.
